A GAME FOR TWO TO THREE PLAYERS

It's time to feed the troops and the RAF, BAE Systems and the Navy are having lunch together. They have ordered pizza.

INSTRUCTIONS

In turn, each player turns the top card from the pile and follows the instruction. If the card shows:

QUESTION

If you answer correctly move forward two spaces and keep the card for your set. If you are incorrect or if you already have the ingredient on the card then return it to the bottom of the pack.

Other players, don't shout out the answer because you might get that card later on!

FORWARD

Go forward the number of spaces and keep the card if you do not already have the ingredient on it. If you already have it, return the card to the bottom of the pack.

You are trying to get a full set of the four ingredients. If you reach the end without all the ingredients, you stay where you are and keep turning a card in your turn until you get the full set.

BUT BEWARE!

The other player/s might catch up! The winner is the player who has reached the end and has each of the four ingredients to make the pizza.
